Visiting art museums

Experience & Projects

Axiom Space/CST Corp ——— **UI/UX Design Intern**
6/22 – 8/22

Operated with UI/UX and Engineering teams using Agile sprints to design and implement applications for web and mobile

Identified multiple user personas and created detailed user guide documents outlining complex functionality across products

Tested applications throughout the software development cycle to identify more efficient user flows and interactions

Curve Hospitality ——— **Product Design Intern**
7/21 – 8/21

Collaborated with a cross-functional team on client-facing projects to provide solutions for multiple stakeholders

Redesigned website pages to improve usability and information/visual hierarchy

Worked closely with marketing director to develop materials for electronic distribution, reaching over 1,000 clients

@thnkwrl ——— **Founder & Creative Director**
1/21 - Current

Created an Instagram blog curating content at the intersection of design, culture, architecture, fashion, and more

Grown to a community of 6,500+ followers globally in 18 months

Generated 200,000+ accounts reached, 300,000+ content interactions (likes, comments, shares), and 500,000+ post impressions in 12 months
